

Water Industry Careers Night

Run by the Australian Water Association
for students at University of Newcastle

Interested in working in the water industry?

Join the Newcastle Sub-committee of the NSW Branch for an opportunity to meet and listen to water professionals talk about their experiences, technical areas and career pathways in the water sector. This will be followed by an open Q&A session and informal networking with pizza and drinks provided.

This free event is open to all students interested in gaining an insight into the water industry and is particularly suited to final year students from the engineering and science faculties.

Date: Tuesday, 17th September 2019

Time: 6pm – 8pm

Venue: University of Newcastle

Price: Free event with pizza & drinks included
