Consent Form for Students in National Water Week 2019 Short Film Competition

The National Water Week Short Film Competition is run by the Australian Water Association and is open to all primary and high school students across Australia.

The aim of the short film competition is to increase awareness of the United Nations’ 17 Sustainable Development Goals.

Students must come up with a short film that focusses on 1-2 Goals and what actions we can take to help meet those Goals and help change the world.

Students can involve other peers in their competition entry; however, consent from a parent or legal guardian must be given for each student who is visibly recognisable in the short film.

Submitted short film entries may be shared across the Australian Water Association’s digital platforms for promotional and educational purposes. Digital platforms are:

- Websites (www.awa.asn.au; https://watersource.awa.asn.au/)
- Social media (LinkedIn, Twitter, Facebook, etc.)
- Online video platforms (YouTube, etc.)

This form must be signed by the parent/legal guardian and teacher of any student/s involved in making a submission, as well as by the parent or legal guardian of any additional student who appears in the film but is not one of the students making the submission.
