

Queensland Technical Event Presentation Expression of Interest

The QLD Branch of the Australian Water Association are always interested to hear from our members with their ideas for technical presentations. In order for the committee to assess the suitability and include the presentation on the event calendar, please provide a brief overview addressing the points below:

- Title of topic
- Speaker
- Please describe the hypothesis / objective of the presentation and other relevant technical aspects of the topic in 3 or 4 sentences or less.
- Likely interested audience?
- Is the presentation largely "commercially neutral", i.e. not overtly promoting a particular company or product?
- Have you presented this topic before and if so where and when?
- Preferred presentation length and format?
- Would you be willing to participate in a discussion forum after the presentation?
- Would you be willing to present alongside another related topic presenter?
- Would you be willing to have the event recorded for distribution on DVD to some of our members around regional Queensland?
- Your contact details

Please email the event brief to qldbranch@awa.asn.au
