

## QLD Branch SPONSORSHIP PROSPECTUS 2011/ 2012

The Australian Water Association is the peak body representing water professionals in Australia. Independent and not-for-profit, AWA promotes sustainable water management through collaboration, advocacy and professional development. AWA has over 5,000 individual and 700 corporate members across Australia, serving engineers, operators, scientists, environmentalists and academics.

AUSTRALIAN WATER ASSOCIATION (QLD BRANCH) PO Box 3320, South Brisbane QLD 4101 Tel +61 7 3846 1564 Fax +61 7 3846 7015 Web [www.awa.asn.au](http://www.awa.asn.au)

ABN 78 096 035 773

**TRUSTED LEADERSHIP IN SUSTAINABLE WATER MANAGEMENT**

## **PRESIDENTS WELCOME**

---

Queensland's population is forecast to double from 4.3 million to more than 8 million by 2054. Attracted by an enviable lifestyle and economic opportunities, the state welcomes nearly 2000 new residents a month. To support this growth, the Queensland Government has committed \$124 billion to major infrastructure projects across the state as a part of its 20 year infrastructure program.

The AWA is playing a significant role in this future and relies on the participation and support of its members. Sponsoring an AWA event is an ideal way to prominently position your organisation as a key player in the industry and communicate with a targeted and influential group of industry leaders.

The Queensland Branch will work with you to ensure your organisation receives the maximum benefit from your sponsorship – from the time you confirm your involvement to the completion of the event.

I commend this prospectus to you for consideration and would be delighted to discuss any aspect of the QLD Branch activities with you at any time so please do not hesitate in contacting me or our Branch Manager, Sharon Ible at [qldbranch@awa.asn.au](mailto:qldbranch@awa.asn.au)

Sincerely,

Garth Bellingham  
QLD Branch President

## OVERVIEW

---

The Australian Water Association (AWA) is an independent, not-for-profit association for water professionals and organisations, providing leadership in the water sector through collaboration, advocacy and professional development. Australia's peak water industry body, the AWA has the largest - and most broadly based - membership, connecting professionals around the country and across all water related disciplines.

The Queensland Branch holds events to:

- Provide networking opportunities
- Transfer knowledge to water professionals
- Promote water industry affairs
- Provide marketing opportunities for corporate members and others
- Increase the industry profile in the community
- Take active involvement in new water legislation and other matters of importance to the industry
- Provide specific niche market forums for the industry and members
- Promote innovation

### Young Water Professionals

The QLD Young Water Professionals (YWP's). This enthusiastic special interest group engage, represent, service and inspire younger or newer water sector employees. There is no hard and fast definition of a YWP but as a guide our activities may be most relevant to those under the age of approximately 35 years, those with up to approximately 10 years water sector experience across all disciplines (regardless of credentials) or those "young at heart". In addition to regular member services and benefits, the NSW YWP's aim to provide information, resources and events that will improve networking and career opportunities for the next generation of water professionals and in so doing, enhance the value of their contribution to the sustainable management of water. By specifically embracing this next generation of water workers, the YWP's seek to secure a more sustainable water future and develop a water sector that is forward looking and able to respond effectively to new social, economic and environmental dynamics.

### Why Sponsor?

- Improve your brand recognition
- Generate leads by networking
- Create new partnerships and alliances
- Strengthen your position as a market leader within the industry
- Achieve industry recognition by being associated with high profile events
- Differentiate your company from others in the industry
- Show your support for the growth of the water industry.

## SPONSORSHIP OPPORTUNITIES 2011

---

### ***Annual Gala Dinner & Awards Night***

*Friday 22 July, 2011*

*Brisbane Convention & Exhibition Centre*

Anticipate 500 + attendees

Queensland Gala Dinner is the largest annual water event held in QLD. The dinner is a semi formal evening in a city centre venue which provides members, guests, industry partners and friends of the AWA from around QLD with opportunities for the exchange of ideas and experiences whilst in a friendly and relaxed atmosphere.

For the first time, the Queensland Water Awards will be presented at this event. Each Year the event grows and is compered by a well known media personality with members of state parliament and other dignitaries in attendance. The event also raises money for the branch's charity of choice WaterAid. With advertising running in *Water Talk*, weekly/monthly e-newsletters and direct mail campaigns, the Gala Dinner is the most talked about event in the QLD Water Industry.

<b>\$1500</b> (exclusive of GST)

\*(to be provided by sponsor)

## **QLD Young Water Professionals Mentoring Breakfast**

*CBD Venue*

*Wednesday 22 February 2012*

In direct response to concerns that the Australian Water Industry would face serious labour shortages in the medium to long term future, the concept of an industry wide mentoring program was initiated by the Young Water Professionals Network (YWP). Mentoring has been identified as an important influence in professional development and as an effective way to develop skills via the transfer of knowledge from an experienced senior member to a less experienced member. It is hoped that this program will not only help with the retention of graduates but also of those members that are still finding their feet in the industry (3 – 10 years workplace experience).

The QLD YWP network is once again holding their annual mentoring breakfast which is open to all of the QLD Water Industry (AWA members, YWPs and non-members). The mentoring program will commence with breakfast information and coaching session comprising presentations from various speakers.

This will be a great opportunity for your organisation to be seen as making a proactive and positive contribution to the water industry and support a key skills retention initiative.

### **Platinum Sponsor - One (1) Opportunity**

- ◆ Your logo and name will appear on the registration brochure (large size)
- ◆ Two free registrations (mentor or mentee)
