Site Tour 2 - Rain Bank, GOMA Water Exhibition and XXXX Brewery Tour

Saturday 14 March | 9:00am – 2:30pm

This tour will take you on a journey to explore how water is valued by different people and industries. You will see the water reuse measures in place in Brisbane's iconic South Bank Parklands, experience how world-famous artists view and value water at the Gallery of Modern Art (GOMA), and see (and taste) how water is used to craft Queensland's favourite brew, XXXX. This tour includes morning tea, a light lunch, and return transfers from Hotel Grand Chancellor.

Rain Bank

Rain Bank is the stormwater harvesting and reuse centre for the South Bank Parklands, Brisbane's premier lifestyle and cultural destination. Rare in urban settings due to a lack of space for underground reservoirs, this innovative water source, is helping to future-proof the Parklands from long-term drought conditions by capturing, storing and treating enough water to service up to 85% of the Parklands' water needs. An estimated 77 megalitres of stormwater per annum is harvested, stored and treated.

GOMA Water Exhibit

You are invited to explore this vital element which sustains all forms of life on Earth. From major immersive experiences to smaller-scale treasures by Australian and international artists, the exhibition will highlight this precious resource and spark conversations about the environmental and social challenges we face today.

XXXX Brewery

Experience the 140+ year history of Queensland's most iconic brewery. You'll learn all about Queensland's favourite brew: brewing methods, top quality ingredients and, of course, how to pour the perfect XXXX. You'll also hear about how critical water is in the process and the water efficient practices XXXX has put in place.

PPE Requirements: fully enclosed flat shoes

Other Requirements: Please ensure you are carrying your Government issued ID with you and have not consumed alcohol prior to the XXXX tour. All bags and cameras must be left in the XXXX lockers during the tour as no loose items can be carried. The XXXX Brewery Tours has many steps on the tour route and cannot accommodate guests with walking aids such as crutches and wheelchairs.

Schedule: Delegates to meet at 8.45am at the Hotel Grand Chancellor, coach will depart at 9.00am. Delegates to tour the South Bank Rain Bank, then walk to GOMA to explore the water exhibition. Finally, a coach will take delegates to XXXX Brewery for a tour and light lunch. The coach will then drop delegates back to Hotel Grand Chancellor arriving at approximately 2.30pm.
