## **Directions to the Alere Function Centre**

- When travelling down South Road from the City, turn left into Sturt Road at Bedford Park.
- Turn right into **University Drive** at the first set of traffic lights.
- Continue along **University Drive** heading towards the southern end of campus.
- Turn left onto Physical Sciences Road into car park 9.
- Turn left into car park 9. Please park in a general marked parking bay (white) at all times. You must pay for parking when parked on campus between Monday to Friday 9am 5pm. For further information on parking pricing please <u>click here</u>. The parking machines are located at the northern end of the upper level adjacent to the entry path to level 3 Physical Sciences building. To use the parking machines follow the prompts on the parking machine to enter your car licence plate details, then use your credit card (or debit card with credit card function) to pay. The parking machines are ticketless, so there's no need to return to your car after you have paid.
- To travel to Alere, walk down the stairs directly in front of the Physical Sciences Building from car park 9, then veer left onto the path and walk past the vegetable gardens, walk through the breezeway and down the next 3 set of stairs.
- When you get to the bottom of those stairs walk straight ahead, past the lake and you will see the Hub Building (a staff member will meet you at the entrance).
