NT Annual Minister's Breakfast – Wednesday 24 June 2026

Sponsorship Benefits Flyer

The 2026 NT Minister's Breakfast will be held on Wednesday 24 June 2026 at The Mitchell Street Hilton (Signatures Room), 32 Mitchell Street, Darwin and available via webinar.

The theme for the breakfast is **Water as an economic enabler for the Territory – challenges, constraints and opportunities** and will consist of a facilitated Ministerial Address with the Hon Joshua Burgoyne, Minister for Lands, Planning and Environment; Corporate and Digital Development; Water Resources.

This year's discussion aims to focus on the NT Government and water sector challenges and opportunities, beyond Manton Dam return-to-service and the Adelaide River Off-stream Water Storage, that could contribute to rebuilding the Territory economy, with a spotlight on water recycling and grey water re-use (a current election commitment) and water stewardship. In addition, we will discuss the role of water in restoring the Territory lifestyle in a warming climate including the water-related investment required to attract and retain people in the Territory.
